### Profile Summary

Detail-oriented and analytical Cybersecurity Analyst with over 5 years of experience in protecting organizational assets and networks against cyber threats. Skilled in risk assessment, intrusion detection, and incident response, with a proven track record of implementing robust security protocols that reduced incidents by 40%. Adept at communicating technical information to non-technical stakeholders and crafting strategic security frameworks.

### Work Experience

#### Senior Cybersecurity Analyst

SecureTech Solutions

1st Jan, 2021 - 31st Oct, 2023

- Led a team in the deployment of advanced security measures, reducing data breach incidents by 35%.
- Developed comprehensive security risk assessments for clients, resulting in enhanced security posture and a 25% decrease in vulnerabilities.
- Coordinated a cross-departmental phishing simulation, which improved employee awareness and decreased successful phishing attempts by 45%.

#### Cybersecurity Analyst

CyberGuard Inc.

1st Jun, 2016 - 31st Dec, 2020

- Executed incident response strategies that mitigated impact of threats, achieving a mean time to resolution (MTTR) of 2 hours.
- Collaborated with IT teams to implement firewall protections, reducing unauthorized access attempts by 50%.
- Contributed to the enhancement of network intrusion detection systems, resulting in a 30% increase in threat detection accuracy.

### Education

#### Harvard University

Master of Science in Cybersecurity

1st Sep, 2014 - 31st May, 2016

#### University of California, Berkeley

Bachelor of Science in Computer Science

1st Sep, 2010 - 31st May, 2014

### Skills

Risk Assessment, Incident Response, Intrusion Detection, Threat Analysis, Firewall Configuration, Network Security, Cybersecurity Frameworks

## **Notable Projects**

### **Enterprise Security Audit**

Led a thorough security audit for a multinational corporation, identifying and recommending solutions for potential vulnerabilities, resulting in a comprehensive security upgrade plan.

## **Certifications**

### **Certified Information Systems Security Professional (CISSP)**

Issued by International Information System Security Certification Consortium, 10th Oct, 2018

### **Certified Ethical Hacker (CEH)**

Issued by EC-Council, 5th May, 2017

## **Awards**

### **Cybersecurity Excellence Award**

Awarded by National Cybersecurity Association, 15th Aug, 2022
