Profile Summary

Creative and detail-oriented Fashion Designer with over seven years of experience in managing the design process from conception through to final styling. Proven success in leading fashion-forward projects, collaborating with cross-functional teams to consistently meet project milestones, and delivering innovative solutions in high-pressure environments. Skilled in pattern making, textiles, and large-scale production techniques, aiming to blend passion for fashion with a strong commercial awareness to create brand-elevating designs.

Work Experience

Senior Fashion Designer

Marc Jacobs

1st January, 2019 - 30th September, 2023

- Led the design and development of the 2022 Spring Collection, which resulted in a 20% increase in brand recognition globally.
- Supervised a team of five designers to develop a new line of sustainable fashion, boosting sales by 15% within the first quarter of its launch.
- Collaborated with fabric suppliers and manufacturers to reduce production timelines by 25%, increasing delivery speeds to retail partners.

Fashion Designer

Gucci

1st June, 2015 - 31st December, 2018

- Designed the best-selling accessory line that contributed to a 30% revenue increase in accessories.
