Profile Summary

Experienced Laboratory Animal Technician with over 5 years in managing and providing care for research animals. Demonstrated ability to maintain compliant laboratory environments, ensuring safety and protocol adherence. Adept at collaborating with research scientists to enhance study outcomes and improve animal welfare. Skilled in complex data collection, analysis, and facility management.

Work Experience

Laboratory Animal Technician
Harvard University
1st Jan, 2019 - 31st Dec, 2023

- Managed care and observation of over 200 lab animals, ensuring high standards of animal welfare and compliance with ethical research regulations.
- Collaborated with a team of scientists to optimize animal handling protocols, leading to a 15% increase in experiment efficiency.
- Conducted detailed assessments and maintained comprehensive records of animal health and housing conditions for auditing and compliance purposes.
- Trained and supervised 8 junior technicians, which helped reduce procedural errors by 20%.

Animal Care Assistant
MIT Research Center
1st Jun, 2015 - 31st Dec, 2018

- Assisted in the care and monitoring of small lab animals, supporting a variety of groundbreaking research projects.
- Implemented new cleaning schedules that improved laboratory cleanliness by 25%, maintaining a sterile environment.
- Monitored and recorded vital health metrics, contributing to data integrity for over 30 studies.

Education

University of Massachusetts Amherst
Bachelor of Science in Animal Science
1st Sep, 2011 - 30th May, 2015

Skills

Animal Care, Laboratory Management, Data Analysis, Compliance Regulation, Team Collaboration, Problem Solving, Protocol Optimization

Notable Projects

Enhancement of Lab Animal Care Protocols
Led a project to review and enhance existing animal care protocols, resulting in a 20% improvement in animal health outcomes and a streamlined workflow for technicians.

Certifications

Certified Animal Researcher Technician (CART)
Issued by American Association for Laboratory Animal Science, 1st Feb, 2020

Awards

Excellence in Animal Care Award
Awarded by Harvard University, 15th Oct, 2021
